Use Case

AINU WALLET

Ainu wallet- will be a digital assets wallet for crypto currencies. An app-based and browser extension, used to interact with smart chain Blockchain. It will allow users to send, receive, and store multiple digital assets. The app will be accessed on both IOS and Android devices with highly intuitive and user-friendly. It will secure your assets with private keys, mnemonic phrases and more.

AINU SWAP DEX

Ainu Swap Dex, will be a decentralized exchange that allow direct peer to peer crypto currency transaction to take place online securely without the need for an intermediary. The unique of Ainu Swap Dex Will be on the transaction fees, it will use low fees compare to other exchange during transaction and with highest speed of transactions.

Ainu Gaming & Casino Platform

Ainu swap gaming and casino platform is a hassle free solution for creating a fast and fully functioning online casino with a comprehensive gambling software package, seamless integration and a fast access to the best online games. It is possible to choose our core products and then gradually diversify the portfolio on the same i gaming platform.

Platform Features.

Ainu swap gaming and casino platform provides operators a powerful tool for investigating players' activities and optimising the performance of your online casino. All the necessary monitoring and management tools are provided, including segmentation

tools, advanced reporting, payment and security all in one place.

In addition to that, you can get key statistics on every gamer, customisable loyalty and bonus systems, insightful analytics with transaction and business reports.

With Ainu Gaming combining smart contract based contests with the state of the art game play. We are committed to transitioning the blockchain gaming industry into the modern gaming era. With multiplayer competitive platform bring esports tournaments and real cash and crypto prizes to players, boosting games success.

AINU E-Commerce.

It will be a platform that will be launched for the sale of a wide range of products using the payment of Ainu Swap Token currency.

Ainu swap token will introduce electronic commerce to allow community to have access of buying and selling goods or services through Business to Business (B2B), Business to customer (B2C), Customer to Customer (C2C), and Customer to Business (C2B). That means AINU swap Token will link those groups via AINU E-commerce.

Our major aim was to minimize cost and provide efficient product and service at a right time in such a way to reduce the cost of create process, distribute, retrieve and manage the paper based information by digitizing the information.

Ainu swap token members will enjoy the benefits and commission obtained from this part of project soon after launched.

• Why should you choose Ainu E-commerce?

With the increasing use of the Internet and its popularity among all segments of the population, e-commerce is the way to go for almost all businesses. Creating online presence means that the business owner or company can reach potential customers and expand business operations, gaining the necessary authority in the market. It is almost impossible for a company to compete in a highly competitive business world if it does not have a strong online presence, which is the essence of e business. Various and large companies have used ecommerce to boost sales by listing their services and products online, where users can view and query, as well as order orders at the click of a computer button.

AINU NFT MARKET PLACE

With AINU swap dex everyone can sell, buy and hold Non Fungible Token (NFT). We will have a long-term cooperation with well-known companies and institutions around the world to promote the development of the NFT ecosystem.

AINU Tour Camp

Today the world has become a global village AINU Swap token will bring people of different places together. The physical boundaries are becoming non-existent. In this situation AINU tour camp can expose people to life style of others and this broadens their horizon.

Ainu tour camp will be conducted once per year and the following criteria's will be considered for a member to be awarded Full ticket that will cover all expenditure during Ainu tour camp.

- **Member must attend pre sale and buy not less than 20,000 AST.**
- **Member must stake not less than 50,000 AST.**
- **Member must be AST Ambassador with active community with not less than 2000 members.**
- **Member must be active and attend AST community tasks.**
